

Fourthrestart®

L-arginine , Magnesium
& Potassium

Let the vigor begin

Fourthrestart®

For Male and female

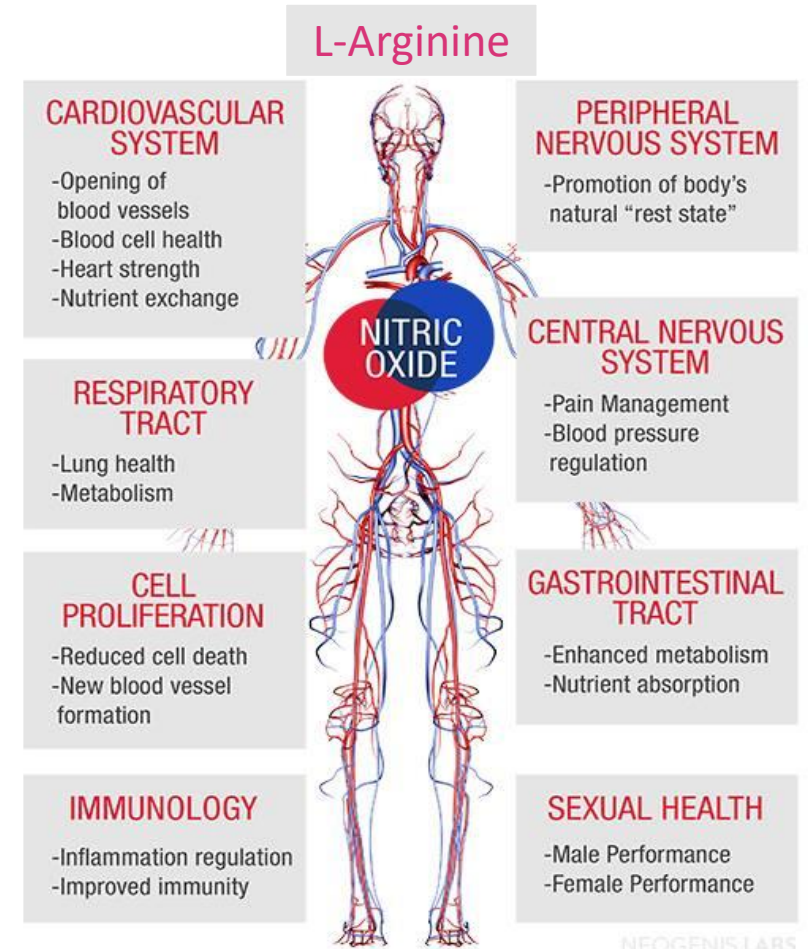

Let the vigor begin

Food Supplement contain **L-Arginine** – Magnesium and Potassium

L-arginine is essential amino acid which already exist in our body .

L-arginine Once administrated converted in the body into a chemical called nitric oxide. Nitric oxide causes blood vessels to open wider for improved blood flow which will lead to increase originated blood flow to sex organs in female and male leading to increase the desire and Vigor .

L-arginine also used to overcome the erectile dysfunction (ED), and male infertility.

Fourthrestart®

For Male and female

Magnesium is needed for more than 300 biochemical reactions in the body. It helps to maintain normal nerve and muscle function, supports a healthy immune system, keeps the heart beat steady, and helps bones remain strong. It also helps regulate blood glucose levels and aid in the production of energy and protein. Along with promoting overall health, a sufficient daily **Magnesium** intake can help significantly to promote healthy erectile function

Let the vigor begin

Potassium is important in maintaining fluid and electrolyte balance in the body and any kind of deprivation can cause problems with erection .
K⁺ (BKCa) channels have a great role in relaxation of smooth muscles of blood vessels leading to vasodilation i.e. increase oxygenated blood supply to sexual organs lead to increase the vigor and desire in both men and women
